FREQUENTLY ASKED QUESTIONS AND ANSWERS SHEET

BELLERIVE AT THE VINEYARDS CONDOMINIUM ASSOCIATION, INC.

as of January 2020

Q: What are my voting rights in the condominium association?

A: The owners of each unit are collectively entitled to one (1) vote in Association matters including, but not limited to, amending the Declaration, Bylaws and Articles of Incorporation; waiving reserves; materially altering or improving the common elements; electing Directors; and terminating the condominium, See Declaration 11.3, 14, 18.3, 20.1, 21.2 and Bylaws VII.C.

Q: What restrictions exist in the condominium documents on my right to use my unit?

A: Units may only be used as a single family residence and for no other purpose. No business or commercial activity may be conducted in or from the unit. Balconies may only be used for recreational activity. No laundry may be hung on or from the balcony. No signs are permitted. Permitted pets are restricted to less than 25 pounds. See Declaration 15.1, 15.6, 15.7, 15.11. For a complete list of restrictions, read the Declaration, Bylaws, Articles of Incorporation and the Association rules.

Q: What restrictions exist in the condominium documents on the leasing of my unit?

A: A unit may be leased no more than two (2) times in a single year with a minimum lease term of at least sixty (60) days. No lease term may be greater than one (1) year. No subleasing is permitted. All proposed leases must be submitted to the Board of Directors for approval at least fifteen (15) days in advance of the proposed move-in date. The Board of Directors has the right to disapprove any proposed tenant. See Declaration 15.5, 16.2, (1) (b).

Q: How much are my assessments to the condominium association for my unit type and when are they due?

A: The quarterly assessment for each unit in the Condominium is \$1,760.00 which amount includes payments to the Bellerive Association and payments to the Master Association (see below). Assessments are due on the first day of each and every quarter (January 1, April 1, July 1 and October 1).

Q: Do I have to be a member of any other association? If so, what is the name of the association and what are my voting rights in this association? Also, how much are my assessments?

A: Yes. All unit owners in Bellerive at the Vineyards Condominium Association, Inc. are also members of the Vineyards Community Association, Inc (the "Master Association"). Your voting rights are determined pursuant to Article V of the Master Covenants, Conditions and Restrictions. The regular assessment due to the Master Association is \$486.00 per quarter for 2020 and is included in the assessment paid to Bellerive.

Q: Am I required to pay rent or land use fees for recreational or other commonly used facilities? If so, how much am I obligated to pay annually?

A: No.

Q: Is the condominium association or other mandatory membership association involved in any court cases in which it may face liability in excess of \$100,000.00? If so, identify each such case.

A: No.

RULES and REGULATIONS

- 1. Unit owners are responsible for all interior damages to their units. Unit owners absent for more than 3 weeks are required to provide for a regular inspection of their unit during their absence. If owners, guests, or tenants are absent for more than 48 hours, the main water valve must be turned off. Owners are required to have all water supply hoses made from metal-braided hoses including those for washing machines, refrigerators, dishwashers, toilets, and all sinks. Inspection of these items and all water heaters, pans, and drain lines must be regular and include the reliable shutoff functionality of the main water valve, which should be of the "ball-valve" type. Annual servicing of air conditioning equipment and condensate drain is required. Failure to service these items is prima facie evidence of negligence and makes the Unit Owner liable for all resulting damage to the unit, common elements, association property, other units, or other property.
- 2. No tenant or guest shall bring any pet into a unit or onto the condominium property. Owners may have only one pet and when outside, it must be on a leash and litter must be picked up. The weight of any pet may not exceed 25 lbs.
- 3. Any exterior changes such as awnings, storm shutters, glass enclosures, permanent wall hangings, landscaping, hanging, potted, or in-ground plants, screen doors, antennae or swings must have the prior written consent of the Board of Directors and the Vineyards Community Association Modification Committee after having been reviewed by the Bellerive Architectural Review Committee.
- 4. Gas and charcoal barbeque grills are prohibited at Bellerive. Only electric grills are allowed and are restricted to the lanai. (The Board of Directors prohibits grills because of the complexities of Collier County Ordinance 98-74 and the 2005 NFPA Code, Chapter 10, Section 10.11.7 and Chapter 5, Section 5.3.1.2 in combination with the geographic circumstances found in Bellerive.)
- 5. All trash must be placed in plastic bags and tied before being placed in the dumpster. All recyclables such as paper, cardboard, bottles, cans, plastics, plastic bags, etc. should be placed in recycle bins. All boxes and cartons must be broken down flat. Arrange with PMP for disposal of Christmas trees, furniture, or other large items. Horticultural materials (including Christmas trees) must not be placed in dumpsters. If a dumpster is full, please take bags to another dumpster. The dumpster in the cul-de-sac usually has excess capacity. Hazardous items including fluorescent lamps, CFLs, items with mercury, smoke detectors, paint, oil, electronics, etc. can be taken to the Collier County Recycling Center at 2640 Enterprise Avenue off Airport Road on north side of Naples Airport.

- 6. For the comfort and convenience of all owners, objectionable odors and unnecessary noise such as slamming of doors, loud talking, barking dogs, radios, televisions, stereos and musical instruments must be maintained at low levels. Loud or extensive cell phone conversations at the pool are discouraged.
- 7. Each unit owner has an assigned parking space in a carport as well as a parking space for a second car outside the carport. Guests must use the visitor spaces available.

14

1.2

- 8. No vehicles except conventional automobiles, SUVs, vans, and other vehicles deemed appropriate by the Board of Directors shall be permitted for regular use on the premises. Overnight parking of boats, trailers, trucks, pickup trucks, panel trucks, campers, RV's, mobile homes, ATVs, motorcycles, and mopeds is strictly prohibited, and violations will result in the removal of such vehicles at the owner's expense. Owner or guest vehicles of any kind with commercial signs or messages are prohibited. Bicycles may be stored in the unit owner's parking space between the curb and the wall. If the owner is away for the summer season, they should be stored in the owner's storage room or condo unit.
- 9. Lanais, porches, or balconies shall not be used for hanging of clothing, towels, or other potentially unsightly objects. Walkways, stairways, and entry balconies shall not be used for storing bicycles, toys, sports equipment, footwear, cleaning supplies, or other household or personal items.
- 10. It is imperative that the 15 mph speed limit be carefully observed. All owners are asked to assist in the enforcement of this essential rule for the safety of us all.
- 11. When house guests are to occupy a condo unit during the absence of the owner, the owner is required to notify the property manager in writing and provide the manager with the names of the guests and planned dates of arrival and departure. This will protect the owner and avoid potential embarrassment of the guest who may be asked to leave if the board has not received advance notice of his or her occupancy. House Guest refers to any person who occupies a condo on a temporary basis at the invitation of the owner without consideration of payment. The number of house guests in a unit is restricted to 2 persons per bedroom plus 2 additional persons. The maximum period for a house guest to occupy a condo in the owner's absence is 30 days.

NOTE: Specific requests for departure from the above rules may be submitted to the Board of Directors, will be considered, and may be approved at their discretion.

Approved by the Board of Directors February 6, 2013

Window and Door Protection against Storms

Policy of the Bellerive Condominium Association

Adopted April 19, 2011

Hurricane shutters may be installed at the interior of lanai screens or immediately outside of the sliding glass doors. They may be of the roll-down type, the removable vertical-panel type, or, if approved by the Board of Directors, another configuration. They must be white and provide protection in accordance with building codes effective at the time of installation. Hurricanerated sliders may also be installed at the interior of lanai screens.

For windows, condo owners should consider replacement of the entire window with hurricane rated sashes, thereby providing year-round storm-protection, thermal insulation, noise reduction, and convenience. If this option is chosen, the replacement window shall reproduce the appearance of the current window insofar as possible. At a minimum, it must be white and have the same sash-split and grid pattern as found in the current window. If the appearance is substantially different from the current window, they must receive approval of the Board of Directors.

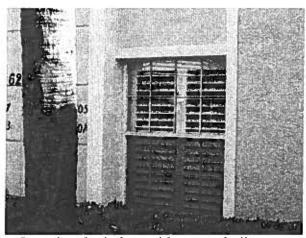

Protective shutters for windows shall be installed within the 4-inch recess immediately exterior to the window. They must not be applied to the face of the surrounding casing frame or exterior wall except in those locations where there is no recess. The shutters shall be of the removable vertical-panel type. Any other type must first receive approval of the Board of Directors. All hardware shall be white or clear except that hinges and fasteners may be either white or of natural corrosion resistant material.

As with all exterior installations, a *Modification Request Acknowledgment* form must be submitted in advance for approval.

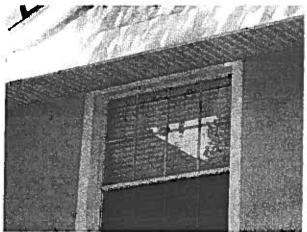

Storm shutters shall be removed as soon as practicable, but not later than two weeks after a storm during the period from January 1, until April 30. Shutters may remain closed for part or all of the period from May 1 to December 31.

Reserve replacement cost and estimated remaining useful lives are projections based on estimates. Even if the Association is currently fully funding the reserves, the accumulated amounts may not be adequate to meet all future repairs and replacements. If additional funds are needed the Association has the right to increase regular assessments, levy special assessments, borrow, or delay repairs and replacement until funds are available.

NOTES for 2020:
Roof Reserves increases by 5% to reflect the price changes seen since Hurricane Irma.
Other reserves increase by a 2% inflation rate, budget amount remained level.
