GENERAL PLAN FOR DEVELOPMENT OF
HAMMOCK ISLES ESTATES PROPERTY; SUPPLEMENTS**

(a) General. Declarant presently plans to develop Hammock Isles Estates as single family homes. Declarant also has the right to develop a portion of Hammock Isles Estates as Common Areas, which may include, without limitation, streets, entry signs, lighting and landscaping. Declarant makes no representations or warranties of any kind or nature that it will construct single family homes or any Common Areas in Hammock Isles Estates. Declarant reserves to itself the right, in its sole discretion, to develop Hammock Isles Estates in any manner it desires, in accordance with the requirements of the Architectural Review Board of the Vineyards and the local governmental entity having jurisdiction of Hammock Isles Estates.

(b) Declaration, Hammock Isles Estates Homeowners' Association. This Declaration is not a declaration of condominium. No portion of Hammock Isles Estates is submitted by this Declaration to the condominium form or ownership. Declarant has caused the Hammock Isles Estates Homeowners' Association to be formed to perform certain administrative and operation functions regarding Hammock Isles Estates as set forth more fully in the Hammock Isles Estates Documents. The Hammock Isles Estates Homeowners' Association is not a condominium association and therefore shall not be governed by the provisions of Chapter 718, Florida Statutes. The expressed intent of the Hammock Isles Estates Documents is that the substantive rights hereunder shall not be affected by legislation subsequent to the date of the execution of the Hammock Isles Estates Documents.

3.02 Property. Declarant shall have the right by supplement to change the use of any portion of Hammock Isles Estates subject only to the approval of the Owners of the Property. Additionally, Declarant reserves the right by supplement to determine that any portion of Hammock Isles Estates is no longer subject to this Declaration, subject only to the consent of the Architectural Review Board of the Vineyards and the local governmental entity having jurisdiction of Hammock Isles Estates; provided, however, that any such withdrawal is not unequivocally contrary to the overall, uniform scheme of development of Hammock Isles Estates. In addition to the initial property subject to this Declaration, any property which Declarant shall acquire within Hammock Isles Estates shall be automatically subject to this Declaration.

3.03 Supplements. Declarant shall have the right, alone and in its sole discretion, to execute and record in the Office of the Clerk of the Circuit Court of the County, a supplement containing provisions which (a) assign a specific use to any portion of Hammock Isles Estates; (b) modify the provisions of this Declaration as they apply to all or any portion of Hammock Isles Estates; (c) create new provisions to this Declaration as they apply to all or any portion of Hammock Isles Estates; (d) withdraw the applicability of any of the provisions of this Declaration; and (e) do anything else permitted by this Declaration.

**ARTICLE IV
LAND USE WITHIN HAMMOCK ISLES ESTATES
AND COMMON AREAS**

BY ACCEPTANCE OF AN INTEREST IN ANY COMMON AREA OR THE DEED TO ANY UNIT, THE HAMMOCK ISLES ESTATES HOMEOWNERS' ASSOCIATION AND ALL OWNERS RELEASE DECLARANT FROM ANY CLAIMS AND WARRANT THAT NO CLAIM SHALL BE MADE BY THE HAMMOCK ISLES ESTATES HOMEOWNERS' ASSOCIATION OR ANY OWNER RELATING TO THE CONDITION, OR COMPLETENESS OF COMMON AREAS OR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING THEREFROM. All costs and expenses of any conveyance of any property by Declarant to the Hammock Isles Estates Homeowners Association shall be paid for by the Hammock Isles Estates Homeowners' Association.

5.02 Voting.

(a) Class "A" Members. Class "A" Members shall be entitled to one (1) vote for each Unit owned by the respective Class "A" Member provided, however, there shall be only one (1) vote per Unit.

(b) Class "B" Member. Class "B" Member shall be entitled to three (3) votes for each Unit owned by the Class "B" Member. After termination of the Class "B" Membership, the Declarant shall be a Class "A" Member entitled to one (1) vote for each Unit owned. So long as Declarant owns one (1) or more Units, Declarant shall have a right to disapprove actions of the Board of Directors and any committee.

(c) Joint Ownership, Corporations. Voting rights may be exercised by a Member or the Member's spouse, subject to the provisions of this Declaration and the By-Laws. In any situation where more than one Person holds an interest in a Unit, the vote for the respective Unit shall be exercised by any such Person; provided, however, the Persons holding the interest in the Unit can notify the Secretary of the Hammock Isles Estates Homeowners' Association, in writing, prior to or during any meeting of the manner in which the vote for the Unit is to be exercised, and, in the absence of such notice, the Unit's vote shall be suspended if more than one Person seeks to exercise it. The voting rights of a Member that is a corporation, partnership or other entity shall be exercised by the individual designee from time to time by the Owner in a written instrument provided to the secretary, subject to the laws of the State of Florida.

5.03 Declarant Director and Veto Rights.

(b) Veto Power. So long as the Declarant is entitled to appoint at least one (1) member to the Board, the Declarant shall have a right to disapprove actions of the Board and any committees as more fully provided in this Section. This right shall be exercisable only by the Declarant, its successors and assigns who specifically take this power in a recorded instrument, or who become a successor Declarant pursuant to a recorded assignment or court order. No action authorized by the Board of Directors or any committee shall become effective, nor shall any action, policy or program be implemented until ten (10) days following the

meeting held pursuant to the terms and provisions hereof. At any time prior to the expiration of such ten (10) day period, the Declarant may exercise its right to disapprove actions of the Board and any committees and the Hammock Isles Estates Homeowners' Association shall not take any action or implement any policy, program, rule or regulation previously approved by the Hammock Isles Estates Homeowners' Association which the Declarant vetoed.

This right to disapprove may be used to block proposed actions but shall not extend to the requiring of any action or counteraction on behalf of any committee, the Board or the Hammock Isles Estates Homeowners' Association. The Declarant shall not use its right to disapprove to reduce the level of services which the Hammock Isles Estates Homeowners' Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

This Section may not be amended without the express, written consent of the Declarant.

5.04 Neighborhood Representative. As provided in the Master Declaration, voting on Master Association matters will be conducted through the Hammock Isles Estates Homeowners' Association and Members will have no power to vote on Master Association matters other than through the Hammock Isles Estates Homeowners' Association. The Hammock Isles Estates Representative shall be the senior officer of the Hammock Isles Estates Homeowners' Association and in his absence the next most senior officer may fulfill the functions of the Hammock Isles Estates Representative. The Hammock Isles Estates Representative shall cast the votes which such representative represents (votes of non-Declarant Members) in such manner as such representative may, in such representative's sole and reasonable discretion, deem appropriate, acting on behalf of all of the Members; provided, however, that in the event at least fifty-one percent (51%) of the voting power in attendance at any duly constituted meeting of the Members shall instruct the Hammock Isles Estates Representative as to the manner in which such representative is to vote on any issue, then such representative shall cast all of the voting power of the Members in the same proportion, as nearly as possible without counting fractional votes, as the Members shall have, in person or by proxy, cast their voting power in favor of or in opposition to such issues. The Hammock Isles Estates Representative shall not be entitled to vote on behalf of Units owned by the Declarant. The Declarant, so long as it owns one (1) or more Units, shall be entitled to directly cast votes on behalf of Units which it owns on Master Association matters. The Hammock Isles Estates Representative shall have the authority, but not the obligation, in the Hammock Isles Estates Representative's sole discretion, to call a special meeting of the Members in the manner provided in the By-Laws for the purpose of obtaining instructions as to the manner in which such representative is to vote on any issue to be voted on by the Members of the Master Association. It shall be conclusively presumed for all purposes of Master Association business that the Hammock Isles Estates Representative in casting votes for the Members has acted within the authority and consent of the Members.

5.05 HIMA Board. After turnover of the HIMA, the President of the Hammock Isles Estates Homeowners' Association will be a Board member of the HIMA.

6.03 Entry Rights and Liability. The Hammock Isles Estates Homeowners' Association and the Master Association, in the event that the Hammock Isles Estates Homeowners' Association fails to do so, shall have the right, but not the obligation, for itself, its designee, or any agent or employee, to enter upon any property within Hammock Isles Estates to carry out the provisions of this Declaration and same shall not constitute a trespass. Neither the Hammock Isles Estates Homeowners' Association nor the Master Association shall be liable for any action taken under this Section and each Owner agrees the Master Association, its officers, directors, agents and employees shall not be liable for any action undertaken pursuant to this Section.

6.04 Owner's Responsibility. If any Owner fails to perform his or her maintenance responsibility in accordance with this Section, the Hammock Isles Estates Homeowners' Association may perform it and assess all costs incurred against the Unit and the Owner thereof as an Individual Assessment. Prior to entry, the Hammock Isles Estates Homeowners' Association shall afford the Owner reasonable notice and an opportunity to remedy the situation, except when entry is required due to an emergency. THE HAMMOCK ISLES ESTATES HOMEOWNERS' ASSOCIATION SHALL NOT BE RESPONSIBLE FOR STRUCTURAL REPAIRS TO ANY UNIT.

6.05 Rules and Regulations. The Hammock Isles Estates Homeowners' Association through its Board of Directors may make and enforce reasonable rules and regulations governing Hammock Isles Estates and the use of the Commons Areas (the "Hammock Isle Estates Standards and Guidelines Book"), which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may include reasonable monetary fines which shall constitute a lien upon the Owner's Unit or Units and suspension of the right to vote and the right to use any recreational facilities (if any) on the Common Areas, and exclusion from Hammock Isles Estates of any contractor, subcontractor, agent or other invitee who fails to comply with the provisions of such rules and regulations. The Board shall, in addition, have the power to seek relief in any court for violations or to abate unreasonable disturbances. Imposition of sanctions shall be subject to the procedures for disciplinary action provided in the By-Laws of the Hammock Isles Estates Homeowners' Association. Fines shall constitute Individual Assessments subject to the lien rights provided in this Declaration.

6.06 Implied Rights. The Hammock Isles Estates Homeowners' Association may exercise any other right or privilege given to it expressly by this Declaration or the By-Laws, and every other right or

privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

ARTICLE VII EASEMENTS AND OTHER RIGHTS

7.01 Easements to Use. All Owners shall have a non-exclusive easement to use and enjoy the Common Areas, subject to the terms of the Governing Documents, including parking and traffic regulations adopted by the Master Association or the Hammock Isles Estates Homeowners' Association, payment of use or access fees or other charges reasonably imposed by the Hammock Isles Estates Homeowners' Association and any restrictions or limitations contained in any instrument conveying such property to the Hammock Isles Estates Homeowners' Association. Any Owner may delegate his or her right of enjoyment to the members of his or her family, lessees and social invitees, as applicable, subject to the Governing Documents. An Owner who leases his or her Unit shall be deemed to have delegated all such rights to the lessee of the Unit.

7.02 Easements for Utilities, Etc. There is hereby reserved unto Declarant, so long as the Declarant owns any property within the Vineyards, the Master Association, the Hammock Isles Estates Homeowners' Association and the Designees of each (which may include, without limitation, Collier County, Florida, and any utility company), blanket easements upon, over, across and under all of Hammock Isles Estates for ingress and egress; dispensing pesticides; installation, replacing, repairing, relocating and maintaining roads, walkways, bicycle pathways, lakes, ponds, wetlands, drainage systems, street lights, signage, and all utilities, including but not limited to water, sewer, meter boxes, telephones, gas, electricity and irrigation; provided, the exercise of this easement shall not unreasonably interfere with the use of any Unit.

7.03 Easement for Encroachment and Overhang. There shall be a reciprocal appurtenant easement for encroachment and overhang between adjacent Units. Such easement shall be for roof overhangs and other improvements which were unintentionally placed or have settled or shifted. The easement shall be for a distance of not more than five (5) feet, as measured from any point on the common boundary between the adjacent Units, along a line perpendicular to such boundary at such point. In no event shall an easement for encroachment of anything other than an overhang exist if such encroachment occurred due to willful conduct on the part of an Owner.

7.04 Additional Easements. The Declarant and the Board of Directors shall have the right to execute, without further authorization, such grants of easement or other instruments as may from time to time be desirable for the development of Hammock Isles Estates or the Vineyards in general, subject to limitations as to the then existing buildings or other permanent structures or facilities constructed within Hammock Isles Estates.

ARTICLE VIII INSURANCE AND CASUALTY LOSSES

8.01 Insurance. The insurance requirements contained herein are not intended to be duplicative with the HIMA. As such, the Board of the HIMA will work with the Board of the Hammock Isles Estates Homeowners' Association to ensure all appropriate coverages are in place and, notwithstanding repetitive provisions in both documents, there is not duplicate coverage.

The Board of Directors, or its duly authorized agent, shall obtain blanket all-risk casualty insurance, if reasonably available, for all insurable improvements on the Common Areas. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount sufficient to cover one hundred percent (100%) of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

Insurance obtained by the Hammock Isles Estates Homeowners' Association shall at a minimum comply with the requirements of the Master Declaration, including the provisions applicable to policy provision, loss adjustment and all other related subjects. All such policies shall provide for a certificate of insurance to be furnished to the Master Association.

The Board shall also obtain a public liability policy covering the Common Areas and the Hammock Isles Estates Homeowners' Association and its Members for all damage or injury caused by the negligence of the Hammock Isles Estates Homeowners' Association or any of its Members or agents. The public liability policy shall have the liability limits establish by the Board from time to time.

The Board may also obtain such other insurance policies as it deems appropriate, including, without limitation, Directors and Officers liability insurance and fidelity coverage.

8.02 Duty to Maintain Fidelity Insurance. The Hammock Isles Estates Homeowners' Association shall, to the extent available at a reasonable cost, obtain fidelity bonds to protect against dishonest acts on the part of its officers, directors, employees and agents and on the part of all others who handle or are responsible for handling the funds of, or funds administered by, the Hammock Isles Estates Homeowners' Association. In addition, if responsibility for handling funds is delegated to a manager, such bonds shall be required for the manager and its officers, employees and agents. Such fidelity coverage shall name the Hammock Isles Estates Homeowners' Association as an obligee and shall be written in an amount equal to at least one hundred percent (100%) of the estimated annual operating expenses of the Hammock Isles Estates Homeowners' Association, including reserves. Such bonds shall contain waivers by the issuers of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expressions.

8.03 Duty to Maintain Officers' and Directors' Personal Liability Insurance. To the extent obtainable at reasonable cost, in the sole and absolute discretion of the Board, appropriate officers' and directors' personal liability insurance shall be obtained by the Hammock Isles Estates Homeowners' Association to protect the officers, directors and committee members from personal liability in relation to their duties and responsibilities on behalf of the Hammock Isles Estates Homeowners' Association.

8.04 Duty to Maintain Workers' Compensation Insurance. The Hammock Isles Estates Homeowners' Association shall obtain workers' compensation or similar insurance with respect to its employees, if any, in the amounts and forms as may now or hereafter be required by law.

8.05 Other Insurance. The Hammock Isles Estates Homeowners' Association may obtain insurance against such other risks, of a similar or dissimilar nature, as it shall deem appropriate with respect to the Hammock Isles Estates Homeowners' Association's responsibilities and duties.

8.06 Individual Insurance. By virtue of taking title to a Unit subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Hammock Isles Estates Homeowners' Association that each Owner shall carry blanket all-risk casualty insurance on the Unit(s) and structures constructed thereon. Each Owners further covenants and agrees that in the event of a partial loss or damage resulting from less than total destruction of structures comprising his Unit, the damaged structure will be repaired within one (1) year in a manner consistent with the original construction. The Owner shall pay any costs of repair or reconstruction which are not covered by insurance proceeds. In the event that the structure is totally destroyed, the Owner may decide not to rebuild or not to reconstruct, in which case the Owner shall clear the Unit of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Hammock Isles Estates Homeowners' Association shall continue to maintain the Unit in a neat and attractive condition.

All policies of insurance required by the terms of this Section shall name the Hammock Isles Estates Homeowners' Association as an additional insured and shall require that the Hammock Isles Estates

Homeowners' Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification or non-renewal.

8.07 Damage and Destruction.

(a) **Filing Claims.** Immediately after damage or destruction by fire or other casualty to all or any part of Hammock Isles Estates covered by insurance written in the name of the Hammock Isles Estates Homeowners' Association, the Board of Directors or its duly authorized agents shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) **Repair and Reconstruction.** Any damage or destruction to the Common Areas shall be repaired or reconstructed unless (i) the Class "B" Member (so long as it exists); and (ii) at least seventy-five percent (75%) of the total votes eligible to be cast by the Class "A" Members shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Hammock Isles Estates Homeowners' Association within said period, then the period shall be extended until such funds or information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No Institutional Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Areas shall be repaired or reconstructed. In the event that it should be determined in the manner described above that the damage or destruction to the Common Areas shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of Hammock Isles Estates shall be restored to its natural state and maintained by the Hammock Isles Estates Homeowners' Association in a neat and attractive condition.

8.08 Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction to the Common Areas or, if no repair or reconstruction is made, shall be retained by and for the benefit of the Hammock Isles Estates Homeowners' Association and placed in a capital improvements account.

8.09 Insufficient Proceeds. If the damage or destruction to the Common Area for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a Special Assessment against all Members on the same basis as provided for Base Assessments. Additional Special Assessments may be made in a like manner at any time during or following the completion of any repair or reconstruction.

**ARTICLE IX
ASSESSMENTS**

9.01 Affirmative Covenant to Pay Assessments. There is hereby imposed upon each Owner and his or her Unit, the affirmative covenant and obligation to pay to the Hammock Isles Estates Homeowners' Association all Base, Special and Individual Assessments, together with any Assessments imposed by the Master Association. Each Owner, by acceptance of a deed or other instrument of conveyance conveying a Unit, whether or not it is so expressed in such deed or instrument, shall be obligated and agrees to pay all Assessments provided for in this Declaration.

9.02 Creation of Base Assessments. There are hereby created Base Assessments for Hammock Isles Estates Expenses as the Board of Directors of the Hammock Isles Estates Homeowners' Association may authorize from time to time.

9.03 Payment of Base Assessments. Base Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the Base Assessments for the entire fiscal year for delinquents. Unless the Board otherwise provides, the Base Assessment shall be paid on a quarterly basis, in advance.

9.04 Computation of Base Assessments. It shall be the duty of the Board of Directors of the Hammock Isles Estates Homeowners' Association annually to prepare a budget covering the estimated Hammock Isles Estates Expenses to be incurred by the Hammock Isles Estates Homeowners' Association. This budget may include a capital contribution establishing a reserve fund for repair and replacement of capital items within Hammock Isles Estates, as appropriate. Hammock Isles Estates Expenses shall be allocated equally among all Units within Hammock Isles Estates. The Board of Directors shall cause a copy of such budget and notice of the amount of the Base Assessment to be levied on each Unit for the coming year to be delivered at the amount of the Base Assessment to be levied on each Unit for the coming year to be delivered at least fifteen (15) days prior to the beginning of the fiscal year to each Owner of a Unit. Such budget and Assessment shall become effective unless disapproved by a majority vote of the total votes eligible to be cast by Members. There shall be no obligation to call a meeting for the purpose of considering the budget except upon a petition of Owners representing at least thirty percent (30%) of the total votes in the Hammock Isles Estates Homeowners' Association. In the event the proposed budget is disapproved, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the preceding year shall continue for the current year.

The Base Assessment to be levied for the coming year against each Unit subject to assessment shall be computed by dividing the budgeted Hammock Isles Estates Expenses by the total number of Units then subject to Assessment and reasonably anticipated to become subject to Assessment during the fiscal year.

9.05 Special Assessments. In addition to the Base Assessments, the Board of Directors may levy, in any Assessment year, without the requirement of a Member vote, a Special Assessment, for the purpose of defraying, in whole or in part, the cost of any unanticipated construction or reconstruction, repair or replacement of any property owned by the Hammock Isles Estates Homeowners' Association or any other unbudgeted expenses of the Hammock Isles Estates Homeowners' Association. Notice in writing of the amount of any Special Assessment and the time for payment thereof shall be made to and payable by Owners in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the Assessment year in which the Special Assessment is approved, if the Board so determines.

9.06 Individual Assessments. All monetary fines assessed against an Owner pursuant to the Hammock Isles Estates Documents, or any expense of the Hammock Isles Estates Homeowners' Association which is the obligation of an Owner or which is incurred by the Hammock Isles Estates Homeowner's Association on behalf of the Owner pursuant to Hammock Isles Estates Documents, shall be an Individual Assessment and shall become a lien against such Owner's Unit which may be foreclosed or otherwise collected as provided herein. Notice of the amount and due date of such Individual Assessments shall be sent to the Owner subject to such Assessment.

9.07 Declarant's Obligation for Assessments. Beginning on the date of the recordation hereof, and continuing until termination of the Class B Membership, Declarant may, in its sole discretion, elect not to pay Base Assessments on Units it owns, but pay the difference, if any, between the amount of Base Assessments payable by Owners other than Declarant and the actual Hammock Isles Estates Expenses. If Declarant determines not to pay the difference between the amount of Base Assessments payable by Owners other than Declarant and the actual Hammock Isles Estates Expenses, then Declarant shall pay Base Assessments as any other Owner pays for Units. Unless Declarant otherwise notifies the Board, in writing, at least (60) days

prior to the end of each fiscal year, Declarant shall be deemed to have elected to continue paying on the same basis as the preceding fiscal year. Declarant's obligations hereunder may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these.

9.08 Establishment of Lien. Failure to pay any and all Assessments when due, together with interest at a rate not to exceed the lesser of (a) the highest rate allowed by applicable usury law, or (b) eighteen (18%) per annum, as computed from the date the delinquency first occurs, and such late charges and fines as may be established by the Board of Directors and costs and reasonable attorneys' fees, shall be a charge on the Unit and shall be continuing lien upon the Unit against which such Assessment is made. Each Assessment, together with interest, late charges, costs and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such Unit at the time the Assessment arose, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no Institutional Mortgagee who obtains title to a Unit pursuant to the remedies provided in the Mortgage shall be liable for unpaid Assessments which accrued prior to such acquisition of title.

Upon recording of a notice of lien on any Unit, there shall exist a perfected lien for unpaid Assessments prior and superior to all other liens, except (1) all taxes, bonds, assessments and other levies which by law would be superior thereto, and (2) the lien or charge of any first mortgage of record (meaning any recorded mortgage with first priority over other mortgages) made in good faith and for value with an Institutional Mortgagee. Such lien, when delinquent, may be enforced by suit, judgment and foreclosure. The Hammock Isles Estates Homeowners' Association, acting on behalf of its Members, shall have the power to bid for the Unit, as applicable, at foreclosure sale and to acquire and hold, lease, mortgage and convey the same. During the period in which a Unit is owned by the Hammock Isles Estates Homeowners' Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no Assessments shall be levied on it; and (c) each other Unit shall be charged, in addition to its usual Assessment, its equal pro rata share of the Assessments that would have been charged such Unit had it not been acquired by the Hammock Isles Estates Homeowners' Association as a result of foreclosure. Suit to recover a money judgment for unpaid Assessments and attorneys' fees shall be maintainable without foreclosing or waiving the lien securing the same.

9.09 Reserve Budget and Capital Contribution. The Board of Directors may annually prepare a reserve budget to take into account the number and nature of replaceable assets, the expected life of each asset and the expected repair or replacement cost. The Board may set the required capital contribution in an amount sufficient to permit meeting the projected needs of the Hammock Isles Estates Homeowners' Association, as shown on the budget, with respect both to amount and timing by annual Assessments over the period of the budget. The capital contribution required, if any, may be fixed by the Board and included within and distributed with the budget.

9.10 Date of Commencement of Assessments. The obligation to pay the Assessments provided for herein shall commence as to each Unit on the first day of the first month following the date of conveyance of such Unit by the Declarant. The first year's Assessment shall be adjusted according to the number of months remaining in the fiscal year at the time Assessments commence on the Unit.

9.11 Statement of Status of Assessments. Upon ten (10) days' written notice to the Treasurer of the Hammock Isles Estates Homeowners' Association or the manager and payment of a processing fee set by the Hammock Isles Estates Homeowners' Association from time to time, not to exceed fifty dollars (\$50), any Owner or Institutional Mortgagee of a Unit may request confirmation from the Hammock Isles Estates Homeowners' Association setting forth:

(a) The amount of any unpaid Assessments (whether Base, Special or Individual), interest, late charges, costs, expenses and attorneys' fees then existing against a particular Unit;

(b) The amount of the current periodic installments of the base Assessment and the date through which they are paid; and,

(c) Any other information deemed proper by the Hammock Isles Estates Homeowners' Association.

The information contained in such statement, when signed by an officer of the Hammock Isles Estates Homeowners' Association, shall be conclusive upon the Hammock Isles Estates Homeowners' Association as to the person or persons to whom such statement is issued and who rely on it in good faith.

Prior to the issuance of such a statement, the Hammock Isles Estates Homeowners' Association may request the name of any proposed transferee of the Unit and the scheduled closing date. This will permit the records of the Hammock Isles Estates Homeowners' Association to accurately identify Members.

9.12 Exempt Property. Notwithstanding anything to the contrary herein, the following property shall be exempt from payment of Assessments:

(a) Common Areas; and,

(b) all property dedicated to and accepted by any governmental authority or public utility, including, without limitation, public schools, public streets and public parks, if any.

9.13 Assessments Levied By The Master Association. The Hammock Isles Estates Homeowners' Association shall, upon the request of the Master Association, collect assessments owed to the Master Association by Owners. The Hammock Isles Estates Homeowners' Association shall remit this amount to the Master Association within ten (10) days of its receipt along with an accounting of the Owners who have made payments and the amounts thereof. In the event any amount owed the Master Association is not timely paid to the Master Association by the Owners or the Hammock Isles Estates Homeowners' Association, the Master Association shall have the right to enforce its rights under the Master Documents against the Owner(s) whose payment is not received by the Master Association. The Hammock Isles Estates Homeowners' Association shall have no right of set-off, diminution or abatement with respect to assessments collected on behalf of the Master Association.

ARTICLE X HAMMOCK ISLES ESTATES AREA USE RESTRICTIONS

All Units shall be used only for single family residence purposes as permitted by applicable law and in accordance with the Master Community Documents and the Hammock Isles Estates Documents, including, without limitation, the Design Review Criteria. The Hammock Isles Estates Homeowners' Association may add to, delete or modify these use restrictions pursuant to an amendment to this Declaration, or any rules and regulations.

10.01 Minimum Square Footage. See Handbook attached hereto.

10.02 Partition Units. No part of a Unit may be partitioned or separated from any other part thereof except as provided herein. Whether partitioned, combined or unchanged, each Unit shall be conveyed, transferred, gifted, devised, bequeathed, encumbered or otherwise disposed of, as the case may be, with all appurtenant rights, obligations and interest created by law or by this Declaration, including the Owner's membership in the Hammock Isles Estates Homeowners' Association and the liability for all Assessments. No Unit may be subdivided into two (2) or more Units and no Unit may be combined with one (1) or more additional Units to form one (1) or more Units without the written consent of the Board of Directors and after full compliance with all zoning and subdivision regulations.

10.03 Compliance With Insurance Requirements. It shall be the responsibility of the individual Owners, at their sole expense, to make arrangements in regard to hazard insurance on the improvements, personal property and furnishings located on their Units, and for public liability insurance covering their Unit. In addition, each Owner may obtain such other and additional insurance coverage on and in relation to his Unit as such Owner concludes to be desirable.

10.04 Damage or Destruction on Units. In the event of damage or destruction to the improvements located on any Unit, the Owner thereof shall promptly repair and restore the damaged improvements to their condition prior to such damage or destruction or, in the event of total destruction to substantially all of the structures on a Unit, the Owner may elect to remove all structures on that Unit and landscape the Unit in accordance with a plan approved by the Board of Directors. If such repair and restoration or removal is not commenced within sixty (60) days from the date of such damage or destruction, the Hammock Isles Estates Homeowners' Association may, after notice and hearing as provided in the By-Laws, impose a fine of not more than fifty dollars (\$50.00) per day on the Owner unless the Owner can prove to the satisfaction of the Hammock Isles Estates Homeowners' Association that such failure is due to circumstances beyond the Owner's control. Such fine shall be an Individual Assessment.

10.05 Abandoned, Inoperable, Commercial or Oversized Vehicles. Abandoned or inoperable automobiles or oversized vehicles of any kind shall not be stored or parked on any portion of the Units. "Abandoned or inoperable vehicle" shall be defined as any vehicle which has not been driven under its own propulsion for a period of three (3) weeks or longer; provided however, this shall not include vehicles parked in an enclosed garage or operable vehicles left on the Unit by Owners while on vacation. A written notice describing the "abandoned or inoperable vehicle" and requesting removal thereof may be personally served upon the Owner or posted on the unused vehicle; if such vehicle has not been removed within seventy two (72) hours thereafter, the Hammock Isles Estates Homeowners' Association shall have the right to remove the same without liability to it, and the expense thereof shall be charged against the Owner. "Oversized" vehicles, for purposes of this Section, shall be vehicles which are too high to clear the entrance to a residential garage.

No commercial vehicles, campers, mobile homes, motorhomes, house trailers or trailers of every other description, recreational vehicles, boats, boat trailers, horse trailers or vans shall be permitted to be parked or stored on any Unit. For the purposes of this Section, "commercial vehicles" shall mean those which are not designed and used for customary personal/family purposes. The absence of commercial-type lettering or graphics on a vehicle shall not be dispositive as to whether it is a commercial vehicle. The prohibitions on parking contained above in this Section shall not apply to temporary parking of commercial vehicles such as for construction use or providing pick-up and delivery and other commercial services. No parking on lawns shall be permitted.

Subject to applicable laws and ordinances, any vehicles parked in violation of these or other restrictions contained herein or in the rules and regulations may be towed by the Hammock Isles Estates Homeowners' Association at the sole expense of the Owner of such vehicle if such vehicle remains in violation for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle. The Hammock Isles Estates Homeowners' Association shall not be liable to the Owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing and once the notice is posted, neither its removal, nor failure of the Owner to receive it for any other reason, shall be grounds for relief of any kind.

10.06 Trash. Each Owner shall provide suitable receptacles for the temporary storage and collection of such refuse and all such receptacles shall be screened from the public view and from the wind and protected from animal and other disturbances.

10.07 Construction Regulations of the Hammock Isles Estates Design Review Criteria. All Owners and their contractors shall comply with the construction regulations of the Hammock Isles Estates Design Review Criteria, if any, and with any construction regulations adopted, from time to time, by Declarant, the

Committee or the Board. Such regulations may affect, without limitation, the following: trash and debris removal; sanitary facilities; parking areas; permissible times of access and construction; outside storage; restoration of damaged property; conduct and behavior of builders, subcontractors, Owners and their representatives in Hammock Isles Estates at any time; the conservation of landscape materials; and fire protection.

10.08 Compliance with Laws. Each Owner shall promptly comply with the provision of all applicable laws, regulations, ordinances and other governmental or quasi-governmental regulations.

10.09 Annoying Lights, Sounds or Odors. No light, sound or odor shall be emitted from any Unit which is obnoxious or unreasonably offensive to others. Without limiting the generality of the foregoing, no exterior horns, whistles, bells or other sound devices or lights, other than devices used exclusively for security, fire prevention or fire control purposes, shall be permitted.

10.10 Pools. See Handbook.

10.11 Fences. No dog runs, animal pen or fences of any kind will be permitted on any Unit except as approved by the Association.

Any Unit adjacent to the golf course within the Vineyards shall only be permitted to have opaque fences approved pursuant to the architectural review approval process under both the Master Community Documents and the Hammock Isles Estates Documents. Illustrations of appropriate fencing material, style and height shall be described in the Design Standards and Guidelines of the NCC as set forth in the Master Community Documents (as those terms are defined in the Master Declaration). The intent of this restriction is to permit open view to the golf course and lakes from any portion of the Property.

10.12 Playground and Basketball Equipment. No jungle gyms, swing sets, or other playground equipment including, but not limited to, basketball hoops and backboards shall be permitted on any Unit.

10.13 Window Coverings. All windows in any building shall have window coverings which have a white or off white backing or blend with the exterior color of the dwelling, as determined in the sole discretion of the Committee. Reflective window coverings are prohibited.

10.14 Nuisance. No obnoxious or offensive activity or nuisance shall be carried on or be permitted to exist within Hammock Isles Estates nor shall anything be done or permitted which is or may become offensive or detrimental or cause a disturbance or annoyance to any other Unit or its occupants.

10.15 Leasing. The Owner of a Unit shall have the right to lease such Unit subject to the following conditions and the terms of the Hammock Isles Estates rules and regulations:

(a) All leases shall be in writing and no more than one (1) lease shall be permitted in a fiscal year;

(b) The lease shall be specifically subject to the Hammock Isles Estates Documents and any failure of the tenant to comply with the Hammock Isles Estates Documents shall be a default under the lease; and,

(c) The Owner shall be liable for any violation of the Hammock Isles Estates Documents committed by such Owner's tenant, without prejudice to such Owner's right to collect any sums paid from the tenant.

10.16 Hazardous Materials. Each Owner shall comply with all federal, state and local statutes, regulations, ordinances, or other rules intended to protect the public health and welfare as related to land,

water, groundwater, air or other aspects of the natural environment (the "Environmental Laws"). Environmental Laws shall include, but are not limited to, those laws regulating the use, generation, storage or disposal of hazardous substances, wastes and materials (collectively, the "Hazardous Materials"). No Owner or his tenants, guests, invitees or permittees shall knowingly use, generate, manufacture, store, release, dispose of or knowingly permit to exist in, on, under or about his or her Unit any Hazardous Materials except in compliance with the Environmental Laws.

10.17 Signs. No sign or advertisement of any kind, including, without limitation, those of realtors, contractors and subcontractors, shall be erected on any Unit unless the same complies with the standards and guidelines established pursuant to the Master Community Documents and has been approved by the Master Association, except as may be required by legal proceedings. The Master Association reserves the right to restrict the size, color, lettering, height, material and location of signs. The Hammock Isles Estates Homeowners' Association shall have the right to remove signs which fail to comply with standards set by the Master Association and upon prior approval of the Master Association may set more stringent sign requirements for the Units.

10.18 Wells. Private wells are strictly prohibited and lake water may not be withdrawn for irrigation or any other purpose.

10.19 Pets and Animals. Two commonly accepted household pets such as dogs, cats and birds may be kept. All animals shall be contained on the Owner's Unit and shall not be permitted to roam freely. Any Owner whose pet defecates on any Common Areas or any other lot Owners property shall immediately clean up the pet's waste. Failure to abide by this restriction may result in a fine being levied by the Association. No horses, cows, hogs, pigs, swine, goats, chickens, pigeons, or any other such animal, fowl or reptile shall be kept on any of the Property.

10.20 Parking. See Handbook.

ARTICLE XI NEW CONSTRUCTION COMMITTEE

11.01 Membership. There is hereby established a New Construction Committee which shall be responsible for the administration of the Hammock Isles Estates Standards, new construction and modifications to existing improvements. The Committee shall be composed of a minimum of three (3) persons, who need not be Members. All of the members of the Committee shall be appointed, removed and replaced by the Board of Directors.

11.02 Purpose. The Committee shall review, study and either approve or reject proposed alterations to improvements to the lot or on the Units, all in compliance with this Declaration and as further set forth in any rules and regulations and the Hammock Isles Estates Design Review Criteria as shall be adopted and established and may be amended from time to time by the Declarant or the Board of Directors. Notwithstanding any provision herein, the Committee shall have the power only to review and comment on improvements initially constructed on vacant Units. Sole jurisdiction for approval of such initial construction shall be within the purview of the New Construction Committee described in the Master Community Documents. Said comments shall be provided to the appropriate committee pursuant to its architectural review powers under the Master Community Documents. The Committee shall exercise its best judgment to see that all improvements conform and harmonize with any existing buildings as to external design, quality and type of construction materials, color, plot plan, height, grade and finished ground elevation, and all aesthetic considerations herein set forth. The actions of the Committee in the exercise of its discretion by its approval or disapproval of plans and other information submitted to it, or with respect to any other matter before it, shall be conclusive and binding on all interested parties.

11.03 Organization and Operation of Committee.

(a) The term of office of each member of the Committee, subject to Section 11.1, shall be one (1) year, commencing January 1 of each year, and continuing until his successor shall have been appointed. Should a Committee member die, retire, become incapacitated or be temporarily absent, a successor may be appointed as provided in Section 11.1.

(b) The chairman shall be appointed by the Board of Directors.

(c) The chairman shall take charge of and conduct all meetings and shall provide for reasonable notice to each Committee member prior to any meeting.

(d) The affirmative vote of a majority of the Committee members present at a meeting at which a quorum is present shall govern its actions and may be the act of the Committee. A quorum shall consist of a majority of the members.

(e) The Committee may avail itself of technical and professional advice and consultants as it deems appropriate.

11.04 Expenses. Except as hereinafter provided, all expenses of the Committee shall be paid by Hammock Isles Estates Homeowners' Association. The Committee shall have the right to charge a reasonable filing fee for each application submitted to it for review, in an amount established by the Committee from time to time, which amount is designed to cover the costs of the Committee. The filing fees shall be collected by the Committee and remitted to the Hammock Isles Estates Homeowners' Association to help defray the expenses of the Committee's operation.

11.05 Variances. The Committee may authorize variances from compliance with any of the Hammock Isles Estates Design Review Criteria and their procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) stop the Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the denial of any permit or disapproval of the terms of any financing shall not necessarily be considered a hardship warranting a variance.

11.06 Limitation of Liability. The Committee shall use reasonable judgment in approving or disapproving all plans and specifications submitted to it. Neither the Committee, nor any individual member thereof, shall be liable to any person for any official act of the Committee in connection with submitted plans and specifications, except to the extent the Committee or any individual member thereof acted with malice or wrongful intent. Approval by the Committee does not necessarily assure approval by the appropriate governmental board or commission. Notwithstanding that the Committee has approved plans and specifications, neither the Committee nor any of its members shall be responsible or liable to any Owner or contractor with respect to any loss, liability, claim or expense which may arise by reason of such approval or failure to approve. Neither the Board, the New Construction Committee nor any agent thereof, shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of the Hammock Isles Estates Documents, nor for any structural or other defects in any work done according to such plans and specifications. In all events, the Committee shall be defended and indemnified by the Hammock Isles Estates Homeowners' Association in any suit or proceeding.

11.07 Approval Required. Any reconstruction or the refinishing or alteration of any part of the exterior of any building or other improvement on the Units is absolutely prohibited until and unless the Owner first obtains approval thereof from the New Construction Committee and otherwise complies with the provisions hereof. All improvements shall be constructed only in accordance with the approved plans.

11.08 Removal of Non-Conforming Improvements. The Hammock Isles Estates Homeowners' Association, upon request of the Committee and after reasonable notice to the offender and to the Owner, may remove any improvements constructed, reconstructed, refinished, altered or maintained in violation of these covenants, and the Owner thereof shall forthwith reimburse the Hammock Isles Estates Homeowners' Association for all expenses incurred in connection therewith.

11.09 Compliance. Any contractor, subcontractor, agent, employee or other invitee of any Owner who fails to comply with the terms and provisions of the Hammock Isles Estates Design Review Criteria and the procedures promulgated by the Committee may be excluded by the Board from the Unit without liability to any person, subject to the notice and hearing procedures contained in the By-Laws.

ARTICLE XII GENERAL PROVISIONS

12.01 Term. The covenants and restrictions of this Declaration shall run with and bind the property subjected to this Declaration, and shall inure to the benefit of and shall be enforceable by Declarant, the Master Association, the Hammock Isles Estates Homeowners' Association or the Owner of any portion of the property subjected to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date this declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless an instrument in writing, signed by the majority of the then current Owners in Hammock Isles Estates, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated as specified therein.

12.02 Amendment. Until the termination of the Class B Membership, Declarant may unilaterally amend this Declaration. After such termination, the Declarant may unilaterally amend this Declaration at any time and from time to time as such amendment is (a) necessary to bring any provision hereof into compliance with any applicable governmental statutes, rule or regulation, or judicial determination; (b) necessary to enable any reputable title insurance company to issue title insurance coverage on the Units; (c) required by an Institutional Mortgagee to enable such lender or a purchaser to make or purchase mortgage loans on the Units; or (d) necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the Units; provided, however, any such amendment shall not adversely affect the title to any Unit unless the Owner thereof shall consent thereto in writing. So long as it still owns any of the Property for development or sale in Hammock Isles Estates, the Declarant may unilaterally amend this Declaration for any other purpose, provided the amendment has no material adverse effect upon any right of any Owner. Thereafter or otherwise, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members representing sixty-seven percent (67%) of the total votes in the Hammock Isles Estates Homeowners' Association, including sixty-seven percent (67%) of the votes held by the Class A Members and the Class B Member so long as such membership exists; provided, however, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Any amendment must be recorded in the public records of the County to be effective.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority so to consent and no contrary provision in any mortgage or contract between the Owner and the third party will affect the validity of such amendment. No amendment may remove, revoke or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege.

12.03 Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

12.04 Perpetuities. If any of the covenants, conditions, restrictions or other provisions of this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one(21) years after the date of the last survivor of the now living descendants of John F. Kennedy.

12.05 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Hammock Isles Estates Homeowners' Association unless approved by a vote of seventy-five percent (75%) of the votes eligible to be cast by the Members of the Hammock Isles Estates Homeowners' Association. This Section shall not apply, however, to: (a) actions brought by the Hammock Isles Estates Homeowners' Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of Assessments, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the Hammock Isles Estates Homeowners' Association in proceedings instituted against it. In the event any claim is made against Declarant or any litigation is instituted against Declarant, then the Hammock Isles Estates Homeowners' Association shall assess all Members of the Hammock Isles Estates Homeowners' Association, other than the Declarant, for the costs of said claim or litigation, including without limitation, attorneys' fees incurred, and funds from any other Assessments shall not be used for any such claim or litigation. In the event the Declarant is the prevailing party, the Hammock Isles Estates Homeowners' Association shall levy a Special Assessment against all Owners of Units in Hammock Isles Estates, other than the Declarant, and pay to the Declarant all of its cost, including attorney fees both at trial and on appeal, for any such claim or litigation. This provision shall not be amended unless such amendment is made by the Declarant or is approved by the percentage of votes and pursuant to the same procedures necessary to institute proceedings as provided above.

ARTICLE XIII MORTGAGE RIGHTS

13.01 General. The following provisions are for the benefit of holders, insurers or guarantors of first mortgages on Units. To the extent applicable, necessary or proper, the provisions of this Article apply to this Declaration, the Articles and the By-Laws.

13.02 Notices of Action. A holder, insurer or guarantor of a first mortgage, who provides written request to the Hammock Isles Estates Homeowners' Association (such request to state the name and address of such holder, insurer or guarantor and identification of the Unit), shall be an "eligible holder" (hereinafter "Eligible Holder") and shall be entitled to timely written notice of:

(a) An Owners' default in performance of any obligation under the Hammock Isles Estates Documents, including any delinquency in the payment of Assessments or charges owed by an Owner of a Unit subject to a first mortgage held, insured or guaranteed by such Eligible Holder (or any Institutional Mortgagee) which continues for a period of sixty (60) days;

(b) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Hammock Isles Estates Homeowners' Association; or

(c) Any proposed action which would require the approval of a specified percentage of Eligible Holders, as required in Sections 13.03 and 13.04.

13.03 Eligible Holders' Approval of Amendments to Documents. To the extent permitted by Florida law, the following approvals shall be required:

(a) The approval of sixty-seven percent (67%) of the Eligible Holders of mortgages on Units subject to Eligible Holder mortgages shall be required to terminate the legal status of the Hammock Isles Estates Homeowners' Association; and

(b) The approval of at least fifty-one (51%) of the Eligible Holders of mortgages on Units subject to Eligible Holder mortgages shall be required to add to or amend any material provision of the Hammock Isles Estates Documents which establish, provide for, govern or regulate any of the following (an addition or amendment shall not be deemed material if it is for the purpose of correcting technical errors or for clarification):

- (1) Voting;
- (2) Assessments, Assessment liens, subordination of such liens;
- (3) Insurance or fidelity bonds;
- (4) Any provisions which are for the express benefit of mortgagees;
- (5) Boundaries of any Unit; or,
- (6) Leasing of Units.

13.04 Other Approval Requirements. Unless at least sixty-seven percent (67%) of the Institutional Mortgagees (based on one (1) vote for each first mortgage owned) have given their prior written approval, the Hammock Isles Estates Homeowners' Association shall not be entitled to:

(a) Change the method of determining the obligations, Assessments, dues or other charges which may be levied against an Owner;

(b) By act or omission, change, waive or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance of improvements on Units, provided, however, the issuance and amendment of the Hammock Isles Estates Design Review Criteria by the Committee or the issuance and amendment of architectural standards, procedures, rules and regulations or use restrictions shall not constitute a change, waiver or abandonment within the meaning of this provision.

13.05 Approval Deemed Given. If approval of an Eligible Holder or Institutional Mortgagee is requested in writing pursuant to this Article and a negative response is not received by the Hammock Isles Estates Homeowners' Association within thirty (30) days after such Eligible Holder's or Institutional Mortgagee's receipt thereof, then such Eligible Holder or Institutional Mortgagee shall be deemed to have given its approval.

ARTICLE XIV SHARED AREAS AND FACILITIES

14.01 General. The Plat of Hammock Isles Estates comprehends a subdivision of lands consisting of residential building sites, hereinafter referred to as the Lots, on either side a private road designated as Hammock Isle Drive hereinafter referred to as the Roadway. Declarant may, but shall not be obligated to, install entrance features, walls and/or fences, lighting components, landscape plantings and irrigation systems along portions of the Roadway, and the perimeter of Hammock Isles Estates.

14.02 Easements. The Plat reflects Easements which are dedicated as stated on the Plat.

It is hereby declared that each of the Easements are further dedicated, granted and reserved in favor of the Hammock Isles Estates Homeowners' Association for the erection, maintenance, repair, replacement and reconstruction of all entrance features, walls and/or fences, lighting components, landscape plantings and irrigation systems constructed by Declarant, and any other common facilities which the Hammock Isles Estates Homeowners' Association may later elect to install if such common facilities shall be approved by the Members; provided, however, that no wall, fence, lighting component or landscaping shall be installed by the Hammock Isles Estates Homeowners' Association along the boundary of Hammock Isles Estates which abuts The Vineyards Country Club.

14.03 Expenses. The costs of operating, maintaining, repairing, replacing and reconstructing the Roadway and all walls and/or fences, lighting components, landscape plantings, irrigation systems and other common facilities located within the Roadway and/or the Easements shall be a common expense under this Declaration.

14.04 Contradiction With Community Standards and Guidelines Handbook. THIS DECLARATION IS SUPPLEMENTED BY THE HAMMOCK ISLE ESTATES COMMUNITY STANDARDS & GUIDELINES HANDBOOK, ATTACHED AS EXHIBIT C. IF THERE IS A CONTRADICTION BETWEEN THIS DECLARATION AND THE COMMUNITY STANDARDS AND GUIDELINES HANDBOOK, THE HANDBOOK SHALL CONTROL.

Introduction

The Board of Directors of Hammock Isles Estates Homeowners' Association (HIEHA) created this Handbook to summarize certain components of the *Declaration of Neighborhood Covenants, Conditions and Restrictions for Hammock Isles Estates (CC&Rs)* and the *Articles of Incorporation and By-Laws of Hammock Isles Estates Homeowners' Association, Inc.* All the documents listed above comprise HIEHA's Governing Documents.

This Handbook updates, summarizes and complements a wide variety of rules, regulations, covenants and guidelines regarding the use, maintenance and modification of our community, common areas, as well as your property and residence.

Overall, we intend for this Handbook to help you, the Member, to:

- ❖ Maintain a safe and pleasant environment for all Hammock Isles Estates residents to enjoy,
- ❖ Maintain a sense of community,
- ❖ Maintain consistent architectural and landscaping qualities and and features and
- ❖ Keep our community competitive in the real estate market.

Please note: *The Governing Documents for Vineyards and Hammock Isles Estates contain covenants, conditions and restrictions all residents and guests must follow. Legally, these covenants are part of the deed for each home and are binding upon all homeowners and their guests regardless of whether these Members are familiar with such covenants. This handbook is provided as a summary of the Governing Documents. If any of the Governing Documents conflict with each other, whichever document is stricter shall control.*

Vineyards Community Association

Vineyards Community Association, Inc. (VCA) oversees the uniform development and maintenance plan for all Vineyards communities, including Hammock Isles Estates. Every Property Owner within Hammock Isles Estates agrees to abide by the Master Documents and CC&R's developed for the VCA and Hammock Isles Estates.

Vineyards Development Corporation manages and controls VCA until turnover.

VCA also has an advisory committee consisting of representatives from all Vineyards' communities. The President of the Board of Directors of Hammock Isles Estates Homeowners' Association represents Hammock Isles Estates on the VCA Advisory Committee.

VCA's responsibility include, but are not limited to, the planning and maintenance of the entire Vineyards community, upkeep of the common landscaping and roads outside of the communities and at the entrances gatehouse, and access control through the gatehouses for the entire development.

VCA can enter into agreements that affect all of the Vineyards communities. For instance, VCA negotiated a basic cable television package with Time Warner Cable for every property, in every community, within Vineyards.

Hammock Isles Estates Homeowners' Association

Following is an overview of the nature and function of the HIEHA.

Entity

HIEHA is a not for profit organization chartered in the State of Florida and formed to further the common interest of the property owners in Hammock Isles Estates.

Membership

Members are defined as owning a lot in Hammock Isles Estates. Every lot owner within Hammock Isles Estates is a Member of HIEHA.

Board of Directors

The Board of Directors is composed of Developer representatives until turnover. After turnover, Directors are elected by the Members at an annual meeting. The Directors in-turn elect a President, Vice President, Secretary and Treasurer.

Board of Directors' Responsibility

The Board's responsibilities and powers are delineated in the HIEHA Declaration.

Meetings – Annual Meeting

HIEHA annual meetings will be held at a predetermined date and time and notice will be provided to Members.

Property Manager

A property management company helps the Board manage day-to-day affairs of HIEHA. Corresponding with Members, collecting assessments from Members, paying vendor invoices and general accounting functions are part of the property manager's responsibilities.

The property manager is bound by a contract with the HIEHA and answers only to the Board not to individual Members.

Budget

Each year, the Board develops a budget for the calendar year which is presented to the Members at the annual meeting.

The budget includes, but is not limited to, the following items:

- ❖ HIEHA's payments to the VCA for maintenance, access control and basic cable television subscription,
- ❖ Accounting and legal fees,
- ❖ Insurance,
- ❖ Office and administration expenses,
- ❖ Ground and road reserves and
- ❖ Special projects.

The Board may revise the budget, as the year progresses, within the legal guidelines of the Governing Documents.

Maintenance Fees/Base Assessment

Each Member pays a quarterly maintenance fee. It is payable the first day of the quarter (January 1, April 1, July 1, and October 1). The quarterly maintenance fee invoiced to you covers the total annual budget, divided by four quarters, then by the number of platted lots (64) in Hammock Isles Estates.

Special Assessments

The HIEHA Board has the ability to assess each Member an amount as outlined in the Governing Documents for project expenses that do not fall within the approved HIEHA annual budget.

Special assessments are payable by Members in such a manner and at such times as determined by the Board.

Committees

The Board may appoint committees to address specific concerns in the community. These committees are for information only, to be used at the Boards' discretion.

An *Architectural Review Committee* is a standing committee, dedicated to ensuring all modifications and alterations to homes, property and landscaping are made within the guidelines established for Hammock Isles Estates. Until turnover, this committee is controlled by the Developer.

Guidelines – General

Following are general guidelines for HIEHA, in alphabetical order by topic.

Air Conditioning

All homes in Hammock Isles Estates were constructed with central air conditioning and heating units. Therefore, the installation of external/window air conditioners in any structure on your lot is not permitted.

Landscaping should be placed around all external central air conditioning and heating units, so that this equipment is not visible from the street, golf course or neighbors' properties.

Alterations – House Exterior

Please refer to the "House Exterior Alterations" section found later in this Handbook.

Alterations – Landscape

Please refer to the "Guidelines – Landscape Alterations" section found later in this handbook.

Animals

Your pet(s) should not be a nuisance to your neighbors. Excessive barking by a dog, a dog that frequently escapes from the house or a cat that roams the neighborhood is considered a nuisance. Neighbors should not be disturbed by noise or actions created by household pets.

Animals are not permitted to run loose. They must be confined to your property and walked on a hand-held leash. This is a Collier County law.

You must clean up after your pet, whether on your property or in the neighborhood. Do not allow your pet to urinate on any vegetation, other than that on your lot. Any Member whose pet defecates on any Common Areas of any other Members Property shall immediately clean up the pet's waste. Failure to abide by this restriction may result in a fine being levied by the Association.

Owners may keep up to two commonly accepted household dogs, not to exceed 50 pounds each, or up to two cats. No horses, cows, hogs, pigs, swine, goat, chickens, pigeons or any other such animal, fowl or reptile shall be kept on any of the Property.

Annoying Lights, Sounds and Odors

Any light, sound or odor emitted from your lot that can be deemed obnoxious or offensive to others is not permitted. Without limiting the generality of the foregoing, no horns, whistles, bells, other sound devices or lights other than exterior speakers for music or devices used exclusively for security, fire prevention or fire control purposes shall be permitted.

Antennae and Dishes

Exterior antenna or satellite/microwave dish, aerial or other like device on your house or lot are not permitted without approval of HIEHA and VCA.

Dishes may be no larger than 18 inches in diameter.

Approvals

Notwithstanding anything contained herein, anything not specifically allowed requires HIEHA & VCA approval. For items identified in these guidelines as needing HIEHA and VCA approval, please use the forms at the end of this Handbook. Submit completed forms to the Architectural Review Committee.

Awnings

Exterior awnings are not permitted in Hammock Isles Estates.

Banners, Flags and Flagpoles

Permanent and semi-permanent decorative banners may not be hung on your property without HIEHA and VCA approval. Temporary banners used in conjunction with holidays are not permitted, except as stated in the Decorations section found at page 8 of this booklet.

Florida law states that homeowners may display an American flag in a reasonable, respectful manner. All requests to display flags must be submitted in writing to the HIEHA and the VCA prior to doing so. The HIEHA will review the request which should include: flagpole design, materials, height and location on your property. When the American flag is displayed, it should be displayed in a dignified manner and should honor the tradition of the flag. Because of their permanent nature, in-ground flagpoles from which the American flag will be flown need the approval of HIEHA and VCA before being installed. Generally speaking, the location, height and color of the flagpole should be consistent with the size of your property and the scale and design qualities of your home. In addition, the flag should be presented in accordance with all County, State and Federal guidelines. Final design and location of the flag is strictly at the discretion of HIEHA & VCA.

Cable Television

VCA negotiated a bulk rate cable contract for all communities and homes within Vineyards, including Hammock Isles Estates. The negotiated rate is substantially less than that which an individual homeowner could negotiate. VCA charges HIEHA for its portion of the bulk cable contract, and in turn, the bulk cable contract expense appears in the HIEHA annual budget. Therefore, every Member is charged as a part of the quarterly maintenance fee for cable television, regardless of his or her desire to have this service.

CC&Rs – Covenants, Conditions and Restrictions

A copy of the *Covenants, Conditions and Restrictions for Hammock Isles Estates* and the *By-Laws of Hammock Isles Estates Homeowners' Association, Inc.* is delivered to all homeowners prior to closing on their lot/house. To obtain a copy of these documents, please call and make a request to the Vineyards Development Corporation. Copies of these documents will be mailed to you for a duplication/assembly fee.

Clotheslines

Laundry or wash may not be dried on a line outside of your house or visible to a neighbor, golfer or passerby. No clotheslines or drying racks are permitted on the exterior of the home.

Compliance

All Members are required to comply with the CC&Rs and community standards and guidelines.

If you have reasonable evidence that a Member is not complying with the CC&Rs or our community standards and guidelines, please submit a written complaint to HIEHA Board of Directors or HIEHA's Property Manager. Please note, these written complaints must be revealed to the violating party.

Damage and Destruction

Each Member is responsible for the upkeep of their property.

If any portion of your property becomes damaged or destroyed, for whatever reason, you are responsible to begin repairs within thirty (30 days) of the date of the damaging or destructive event and finish as soon as possible, but within no more than six months of the event. Failure to comply could result in an assessment by the HIEHA to the Member of \$50.00 per day unless the Member can satisfactorily prove that such failure is due to circumstances beyond your control.

Decorations – Permanent Ornamentation

Permanent decorations are not permissible within Hammock Isles Estates. This includes, but is not limited to: birdbaths, ponds, sundials, sculptures and statues.

Decorations – Temporary Holiday Decorations

Decorations typically associated with the holidays, except for flags and banners which are not permitted, are permissible, as long as they do not pose a safety hazard, or emit obnoxious lights, sounds or odors. All decorations should reflect the elegance of the community. In addition, all temporary decorations should be placed no sooner than 30 days prior and removed within 10 days after the holiday.

Temporary holiday decorations are not to be placed on Hammock Isle Estates neighborhood light posts, street signs nor stop signs. When placing temporary holiday decorations on your lot, please make certain they are not in disrepair.

Mailbox decorations celebrating national holidays or events should be non-obtrusive and tastefully done. Permanent decorations on mailboxes are not allowed.

All temporary holiday decorations must be reviewed and approved by HIEHA and VCA.

Doghouses, Dog Runs and Pet/Animal Cages

Outdoor doghouses, dog runs and other pet/animal cages are not permitted.

Easement Area

The front footage of your lot (an area that varies per lot, reflected on your plat) abutting the street contains utility, drainage and access easements. You are required to maintain this easement area. Items within this area may include: street gutter, street signs, mailbox, utility equipment, grass and trees.

If, in front of your house, the street gutter is dirty, it is your responsibility to clean the area at your expense. If you damage the gutter, it is your responsibility to reimburse the HIEHA for repairs. Otherwise, repair of the gutters is HIEHA's responsibility. Please contact a Board member or HIEHA's Property Manager to have a repair made.

Members that have street, stop, speed limit or caution signs in the easement area are expected to maintain a 30 inch buffer zone around the post for protection from damage by weed whackers and lawnmowers. The buffer zone may be covered with mulch, egg rock or pavers. Grass or weeds are not permitted to grow in the buffer zone.

Your mailbox should be clean and free of any bird droppings, mildew or other discoloration.

If landscaping in your lot's easement area declines and/or dies, it is your responsibility to make the replacement, at your expense.

You are expected to regularly prune the landscape trees in your lot's easements area. Palm fronds or other vegetation that impedes vehicular traffic on the street, obstructs streetlights, signs or stop signs, or impedes bicycling/walking on the sidewalk require immediate pruning. Additionally, seedpods from palms and other trees should be pruned before the fruit drops.

Electric Fencing

Invisible electronic fencing used to keep a domestic pet on your property is not permitted. Pets should not be left unattended outside.

Fences and Walls

Fences and/or walls are not permitted on your lot, unless approved by HIEHA and VCA.

Firewood and Compost Heaps

Firewood needs to be kept neatly stacked in an area that does not adversely affect the visual impact of Hammock Isles Estates. Typically, this means that the firewood stack should not be visible from the street, golf course or neighbor's lot.

Compost heaps are not allowed.

Fireworks

Because fireworks and associated flammable/explosive material can be deemed dangerous, as well as obnoxious or unreasonably offensive to others, such devices are not permitted in Hammock Isles Estates except for the Fourth of July and New Year's Eve holidays. Only fireworks that are legally sold in Collier County may be used during those holidays.

Garage Sales

Garage sales are not permitted in Hammock Isles Estates.

Garages

Your garage is to be used for parking your vehicles and/or storage.

You cannot modify your garage to become a temporary or permanent living space.

For safety, security and appearance, you are required to keep you garage doors closed at all times unless you are actively using your garage. All cars must be parked in the garage at all times. No cars or trucks are allowed in the driveway or street overnight at any time.

Golf Course - General

Portions of the Golf Course of Vineyards Country Club border Hammock Isles Estates. Vineyards Country Club and its members own the golf course. Residents should appreciate the beauty and value the golf course brings to Hammock Isles Estates, and, therefore, should respect the golfer's use of the course. ***The golf course is meant to be enjoyed by members of Vineyards Country Club and their guests, solely for the purpose of golf.*** Homeowners that are not golfing members of Vineyards Country Club are not permitted to play or walk on the course.

Grills

Permanent grills are allowed within a screened or fenced area, as long as they do not pose a safety hazard. Permanent grills may not be installed on your property in any other outdoor location. Grills are subject to review and approval by the HIEHA and VCA.

Hazardous Waste

Please do not dump any hazardous materials including, but not limited to: oil, grease, paint or other chemicals on your property, in the streets, lakes or rain sewers. Please abide by Collier County's recycling and environmental regulations. For more information, phone (239) 732-2502 or visit their website at <http://www.co.collier.fl.us/solidwaste>. Each Member shall, in addition, comply with any federal and state laws, ordinances and regulations as related to the environmental laws.

Inappropriate Activity

Any activity that can be deemed offensive, noxious, illegal, unhealthful, injurious, unwholesome, harmful or dangerous by the general community will not be tolerated within Hammock Isles Estates.

Insurance

All Members in Hammock Isles Estates are responsible for carrying, at their own expense, any of the following types of insurance as HIEHA does not insure individual lots or home.

- ❖ Personal property and furnishings on their lot,
- ❖ Hazard on their lot, and
- ❖ Public liability on their lot.

Additionally, you may want to obtain other types of insurance that you personally deem desirable.

Lakes

All lakes contained within our community are meant for visual enjoyment only. You cannot build a dock, use a motorboat, canoe or sail in the lakes.

For safety, please note all lakes contain run-off pesticide and fertilizer. Therefore, you should not swim or fish for consumption in the lakes. The water is non-potable.

Lawn Watering

All homes in Hammock Isles Estates are constructed with in-ground irrigation systems. It is your responsibility to maintain these systems.

Hammock Isles Estates uses well water and reclaimed water provided by Vineyards Utilities. Vineyards Utilities may dictate watering restrictions at certain times during the year. In addition, you must follow Collier County regulations and restrictions.

Above ground sprinklers are not permitted to be used as your primary irrigation system.

Leasing

All leases must be in writing between you and your lessee and approved by the HIEHA. A signed copy of the lease should be provided to the HIEHA Property Manager.

To insure that Hammock Isles Estates remains a family community, you may only lease your house once a year except in the event of a hardship.

Your tenant and their guests must comply with our Governing Documents and community standards and guidelines. You are liable for any violations by your tenant or their guests. If your tenant or their guests do not comply, this action may be considered a default on the lease.

Lights

External lights to illuminate structures or landscaping for home security may only be used as part of your approved landscape design.

Fixtures used to up-light trees should be concealed by landscaping or installed in-ground.

Permanent fixtures should emit a white light – colored bulbs are not permitted. Lights used in temporary holiday decorations may emit colors.

External lighting should not be annoying or a nuisance to others. All exterior light installation and/or modifications must be reviewed and approved by HIEHA & VCA.

Mailboxes

You are responsible for the maintenance of the mailbox and post on your lot. It should be kept in good working order and must be the original mailbox or an identical replacement.

The United States Postal Service requires that overhanging vegetation be kept trimmed even with the front edge of the mailbox and any overhanging branches be kept trimmed with a clearance of 8 feet above the pavement surface.

Maintenance – House – Disrepair

As a homeowner, you are required to maintain the physical aspects of your property. You are not permitted to allow your house or any other structures on your lot to fall into disrepair. This includes, but is not limited to, repairing any damage, including wear and tear, discolored, faded or chipped paint, driveways, walkways, exterior walls, roof, gutters, fascia, windows, screens, doors, pool cage and screens, and exterior lights.

Please refer to the “Guidelines – House Exterior Alterations” section, found later in this Handbook, for additional information.

Maintenance - House - Painting

You are required to maintain the color of your house by painting/repainting on a regular basis. Typically, in our climate, and dependant on paint type, professionals recommend a fresh coat of pain every four to five years.

Please refer to "Guidelines - House Exterior Alterations" section, found later in this Handbook, for additional information.

Maintenance - House - Pressure Cleaning

Due to our humid climate, mildew and mold is a concern in the overall exterior appearance of our houses. Professionals recommend that the exterior of your house, roof, screened enclosure, driveways, walkways and sidewalks in your lot's easement area be pressure cleaned at least once a year.

Depending on the color of your house, as well as the materials used in its construction, the frequency needed to maintain the cleanliness of your home's exterior may vary. Homes with a light color exterior often need to be pressure cleaned twice a year, while darker home exteriors may sometimes be pressure cleaned only once a year.

Maintenance - Landscaping

All landscaping must be maintained in a neat and attractive manner. This would include, but is not limited to, watering, fertilizing and applying pesticides regularly to grass, shrubs and trees, mowing and edging your grass, removing weeds and noxious grasses, trimming and pruning shrubs, trees and grass areas.

You should maintain all trees in your yard. If a tree dies on your property, it should be replaced with a tree of comparable size and height. See the "Recommended Plant Material" listing for types of acceptable trees.

Overall, palms should be pruned of all seedpods and dead fronds at the earliest possible opportunity. Fronds or other vegetation that impede pedestrian or vehicular traffic should be pruned immediately.

Oaks should be pruned of their dead, weakened, interfering, diseased or insect infected branches. In addition, consistent and correct pruning decreases wind resistance and helps prevent storm damage by removing branches that may be snapped off during heavy hurricane winds. Local professionals recommend thinning mature oaks on a regular basis.

Please note: Collier County strictly enforces pruning practices and standards on palms and canopy trees to ensure the vitality and appearance of these trees. If improper pruning is noticed by Code Enforcement, the Member will be liable for the infraction and may have to remove a healthy mature tree and replace it with one or more specimen(s).

Generally speaking, if your grass is longer than 6 inches, it needs to be mowed immediately.

Similarly, if your shrubs and hedges are more than 6 inches out of form, they should be trimmed immediately.

Please refer to the "Guidelines – Landscape Alterations" section, found later in this Handbook for additional information.

Noise

Our homes are for our private enjoyment. Your music or television audio should be heard only by you, not your neighbors, or people on the street or golf course. Bells, whistles, horns or other sound devices, other than those used for security purposes, are not permitted on your lot.

Exterior speakers are permissible and require the approval of HIEHA.

Similarly, when driving your car in Hammock Isles Estates, please be sure to keep your car's audio to a reasonable level.

Neighbors should not be disturbed by noise created by household pets.

Parking – General

Park your vehicles out-of-sight in your garage. Your guest(s) should park in your driveway. Your service resources should park in your driveway not on the street. No vehicles may be parked overnight on the street. Guest vehicles parked overnight in your driveway for a period of more than one week require the approval of HIEHA and VCA. Parking on your lawn, easement area or any unpaved area is prohibited. This restriction will be strictly enforced by towing the vehicle at the Members' expense.

Parking – Vehicles

Abandoned or inoperable vehicles, oversized vehicles, commercial vehicles, recreational vehicles, campers, mobile homes, motor homes, house trailers, other types of trailers, vans, motorcycles, pickup trucks, boat, boat trailers or jet skis are not permitted to be parked or stored on any lot within Hammock Isles Estates, unless maintained in your garage.

Any pickup or similar style truck used for personal/family purposes must be stored in the garage at all times. At no time are they permitted to be parked in the driveway or on the street.

No commercial vehicle may be parked at your property for more than four hours per day, unless that vehicle is necessary in the construction and repair of a structure, landscaping maintenance or on site for medical purposes.

Abandoned or inoperable vehicles are defined as any vehicle that has not been driven by its own propulsion for a period of three weeks or more. Oversized vehicles are those too high or wide to clear the entrance of the garage. Commercial vehicles are defined as any vehicle that is not designed and used for solely customary, personal/family purposes. The lack of commercial-type lettering or graphics is not necessarily a factor regarding the definition of a commercial vehicle.

Any vehicle in violation of this rule will be towed at the Member's expense.

Playground, Basketball and Recreational Equipment

Playground equipment, jungle gyms, swing sets, play houses, trampolines, basketball hoops and backboards shall not be permitted on any unit or property.

You cannot use a street or driveway for the temporary or semi-permanent set-up of any recreational equipment, such as a basketball backboard, hockey goal or volleyball net.

Pools and Related Equipment

All pools and spas must be contained within a screened or fenced area. Pool must be in-ground type.

Permanent and semi-permanent above ground spas are permitted as long as they are contained within a screened enclosure or fenced area and are reasonably hidden from neighbors, golfers and passersby.

To maintain the visual appearance of our community, heaters, filters, chemical feeders and other above ground apparatus located outside of your screened area necessary for the use and maintenance of your pool and/or spa, need to be surrounded by HIEHA and VCA approved landscaping.

Property Use

All homes within Hammock Isles Estates are for single-family use only and are not permitted to be greater than two stories.

Your home is for personal use. Businesses with any associated outside vehicular traffic are not permitted.

For the benefit of you and your community, please abide by existing laws. Illegal activities within Hammock Isles Estates will not be tolerated.

Safety Hazards

Trees and other vegetation that impair visibility, vehicular and pedestrian mobility, or impede street lighting or signage are considered a safety hazard. Please monitor your landscaping and correct any problems immediately.

Parking on your easement or in the street can also pose a safety hazard. Please refer to the "Parking" guidelines in this handbook for any parking recommendations.

Screens and Screening Material

Window, porch and screened enclosures/cage screens should be maintained and free of holes. Screening material can be brown, black or bronze. This requires the approval of HIEHA and VCA.

Screened Enclosures

A majority of the homes in Hammock Isles Estates have a screened enclosure surrounding their outdoor pool and spa. The framing material should be no higher than your house's roofline and no wider than the width of your house's sidewalls. All screened enclosures require the approval of HIEHA and VCA.

Shutters - Hurricane

Hurricane shutters are mandated for new construction and must be in accordance with the HIEHA and VCA guidelines.

All requests for shutters must be received in writing and require the approval of the HIEHA and VCA.

Signs

No sign or advertisement of any kind, including, without limitation, those of realtors, contractors and subcontractors, shall be erected on any home unless the placement, character, form, size, lighting and time of placement of such sign is first approved in writing by the HIEHA and VCA.

All signs must also conform with governmental codes and regulation and with design standards and guidelines for signs established by the HIEHA and VCA.

A single approved "Open House" sign may be placed on your lot, from 9 AM to 5 PM on Saturdays and Sundays only.

"Open House" signs must be 12" x 18", white, PVC, 2-sided with hunter green lettering and a white stake. Signs are available for purchase from Naples Board of Realtors or Cecil's Copy Express.

A sign from your alarm/security company may not be placed on your lot.

Solar Equipment

Solar equipment, including solar panels, is not permitted in Hammock Isles Estates.

Speeding

The speed limit within Hammock Isles Estates is 25 MPH.

There are many children who play in their front yards and driveways, as well as numerous adults and children who walk or bicycle on our streets. For the benefit of all in our community, please do not speed. Ask your visitors and service people to abide by the speed limit as well.

If you see someone speeding, try to obtain their license plate number and/or a description of the car and call your property manager. For your own safety, please do not take matters into your own hands.

Structures - Illegal

Semi-permanent or permanent structures other than your own house and specifically pre-approved HIEHA and VCA buildings, are not allowed on your lot. This includes, but is not limited to, plastic or metal storage sheds, barns, shacks, tree houses, play houses, trailers, and garages.

Structures - Temporary

Temporary structures, such as a tent for an event, need HIEHA and VCA approval. Such structures must be removed immediately following the event. Other types of temporary structures are not permitted.

Trash and Recycling

Trash and recyclables are to be placed in appropriate containers and kept inside an enclosed structure - out of the view of your neighbors. Typically, this means inside your garage.

Keep non-trash items out-of-sight from the street, neighbors and golf course until Wednesday, the full pick up day.

You are able to put your trash out at 6 PM, the night before the scheduled pick up. Once the trash/re-cycling has been picked up, you need to place the container and bins out-of-sight by 6 PM, same day.

We strongly recommend you follow Collier County's re-cycling guidelines. More information on re-cycling can be obtained by calling Collier County Recycling Hotline at (239) 775-3900 or visiting their website at www.colliercountyutilities.com.

You can order replacement/extra trash containers and re-cycling bins by phoning Collier County Solid Waster Customer Service at (239) 403-2367.

Vehicles – Decals and Gate Controls

Vineyards access control provides decals and bar codes which affix to your vehicle window for identification purposes at the North and South Gates. The "Gatekeeper" system also allows residents to pre-clear an expected guest. For more information contact the gatehouse at (239) 353-1770.

It is the responsibility of each Member to properly dispose of bar codes upon sale or transfer of vehicle.

Vehicles – Unlicensed

All vehicles should be properly licensed and maintained, so that they are not a safety hazard, nuisance or illegal.

Violations

Any violation of these Standards will subject the violating party to all penalties allowed by the Associations Declaration and/or Florida Law.

Wells

Private wells are strictly prohibited and lake water may not be withdrawn for irrigation or any other purpose.

Windows – General

Original or replacement windows must be clear, tinted bronze, gray or smoke. Please make sure the same window style and window tint color is consistently applied throughout your entire house and other structures.

Your interior window coverings, when seen from the exterior of your house, must be white, off white or blend with the exterior color of the house as determined at the sole discretion of the HIEHA and VCA. All front windows must have window coverings. No reflective window coverings are permitted.

Guidelines - House Exterior Alterations

All original home exteriors were approved by HIEHA and VCA. We realize, however, that owners of homes change, and/or styles previously approved may not meet with the current Members' tastes. To that end, any alteration to the exterior of your house will require approval from HIEHA and VCA. This includes, but is not limited to, building an addition or extra permanent structure, changing the color of your house, changing the type and color of your roof, changing entrance doors, changing the exterior lighting of your house and altering your driveway or walkways.

Two forms supplied by VCA are used to obtain HIEHA and VCA approval. These forms are included as attachments in the back of this Handbook. They are entitled "Modification Request Acknowledgement" and "Vineyards Community Association Request for Review." Completed forms should be submitted to the Architectural Review Committee.

Additions and New Structures

You may add to your existing home if there is adequate space available on your lot, as defined by the current county/state building code.

Once determined, you will need HIEHA and VCA approval to place an addition onto your current house or add a new structure and said approval may require a deposit to be used to complete the work should you fail to do so.

Designs for additions and new structures should be consistent with the overall architecture of your existing home. The color, style and construction materials should match your existing architecture.

As the Member, you are responsible for hiring licensed architects and contractors, acquiring the appropriate types and amounts of insurance and ensuring that all building permits are obtained.

Further, you are responsible for any damage to your neighbor's or HIEHA's property that may occur. Again, any such alteration requires the approval of the HIEHA and VCA.

Additions and alterations are at the sole discretion of HIEHA and VCA.

Doors

Replacement doors should be harmonious with the overall architecture of your home. Please acquire HIEHA and VCA approval prior to replacing exterior doors, or changing any exterior door colors.

Driveways and Walkways

Permission from HIEHA and VCA is required to change or alter the shape, color, design or layout of your driveway and/or walkway.

Generally speaking, paver bricks are the preferred materials for driveways and walkways.

Grading

For optimum water drainage purposes, all lots in Hammock Isles Estates were well planned prior to any construction. Typically, interior lots drain from the back towards the street, while lots adjacent to the golf course or a lake drain half to the street and half to the lake/golf course.

Changes in grading may cause water to pond in less than desirable areas. Therefore, permission from HIEHA and VCA is needed before any change to your lot's grading is made.

Lighting

Design changes to external lighting and/or the addition of external fixtures require approval from HIEHA and VCA.

Generally speaking, new or additional light fixtures should be consistent with the character of your house and visually blend with the Hammock Isles Estates community.

Materials

To maintain a harmonious neighborhood, recommended external materials include stucco, wood, brick, natural stone, keystone and other natural materials.

Imitation materials, such as vinyl siding, no matter if they are of the highest quality, will not be permitted.

Minimum Square Footage

The minimum home size permitted at Hammock Isles Estates is 2,700 square feet of air conditioned space with a three car garage minimum. No structure may exceed thirty-five (35) feet in height above the finished floor of the structure.

Paint Colors

You may repaint your house, or any portion of it, in the same color without prior permission from HIEHA and VCA.

However, if you wish to repaint your entire house or any portion of your house in a different color from which it is currently, approval from HIEHA and VCA is required.

When selecting colors, please keep in mind that a primary goal of Hammock Isles Estates is to achieve and maintain a harmonious visual sense throughout the community. For visual diversity in our community, it is required that the primary color of your house be different from that of your immediate neighbors.

Roof

All new roofs must be constructed of tile or slate. All replacement roofs are to be replaced with material similar to the original. You may replace your roof tile without prior approval if it is the same material and color as the original roof. If you choose to change the material, the material color or paint your roof, approval from HIEHA and VCA is necessary.

Replacing a tiled roof with asphalt shingles is not permissible.

Setbacks

The following are the guidelines for set backs in Hammock Isles Estates:

- ❖ 15' front setback
- ❖ 15' back setback (rear principal)
- ❖ 5' side setback for one-story homes
- ❖ 5' back accessory structure

The HIEHA and/or VCA reserve the right to adjust setbacks if they deem appropriate and necessary.

Guidelines - Landscape Alterations

Significant Changes to Your Landscape

Significantly changing the landscape on your property can be defined as adding, moving or removing a canopy or sub-canopy tree and/or palm or adding any planting material over three feet tall. If you choose to remedy a landscape problem or significantly change your existing landscaping, you will need permission from HIEHA and VCA.

Also, a significant change to your landscaping includes replacing or changing 50% of your existing plantings (shrubs, ground covering, vining plants and sodded areas). Therefore, to err on the safe side, please acquire permission from HIEHA and VCA before altering your landscape.

Recommended Replacement Plant Material

All replacement plant material must be Florida Fancy, or, Florida Grade #1, as defined in "Grade and Standards for Nursery Plants, State Plant Board of Florida." Generally speaking, plants procured from Naples high-end nurseries, as well as the major home improvements retailers, typically fall into these two categories.

We do get a rare freeze in Hammock Isles Estates. Therefore, plants susceptible to freeze damage are generally unacceptable in an overall landscaping theme.

Further, please do not plant ornamentals that require an extraordinary amount of pruning and trimming, unless you intend to constantly maintain the plant(s). Topiaries in standard designs, such as spirals or round balls are acceptable. However, topiary in the shape of an animal would most likely not be permitted.

Please refer to the "Recommended Plant Material" listing found at the end of this Handbook for plants that thrive in our community.

Unacceptable Plant Material

Also, some plants are not recommended for landscaping within Hammock Isles Estates because their root system can choke and interfere with underground lines or because they do not hold up to soil or drought conditions.

Please refer to the "Unacceptable Plant Material" listing found at the end of this handbook.

unacceptable Planting

No planting will be allowed that blocks a neighbor's view of the water or golf course as determined at the sole discretion of the HIEHA and VCA.

Sod and Grassed Areas

With the exception of trees, shrubs, ground covering and vining plants, your lot must be maintained with sand-grown "Floritam" sod.

Covering a large area of your front, side or back yard with decorative stone or monolithic paving (such as concrete, pavers or stone) is not permitted. Conversely, an unreasonable abundance and variety of shrubs, ground covering, vining plants and/or annuals in your grassed area is not permitted.
